

Leadership Update

TO: PDC Members – PDC and CPDC
FROM: Dr Erik Paulson, Chair, PDC Board of Managers; Dr John Sampson, PDC President
SUBJECT: Future of Duke Health and the PDC
DATE: February 19, 2021

Earlier today you received [a message](#) from the Duke University School of Medicine announcing the intent to create the Duke Faculty Practice. The PDC Board of Managers and leadership will engage in the process to collaborate, evaluate, and assess the plan that creates a stronger, more aligned Duke Health.

The PDC will participate in exploring an alternative structure that enhances and strengthens the clinical practice of our physicians and providers, supports our employees, and best positions Duke Health for the future.

There are many questions to be answered over the coming months. We are committed to transparency, and look forward to engaging with Duke University, Duke School of Medicine, Duke University Health System, and all of you to forge the best path forward.
